FOR IMMEDIATE RELEASE

FotoZoomer Becomes an *Approved Vendor* to the ReproMAX Network

GREENVILLE, SC, APRIL 2009: FotoZoomer is pleased to announce that it is now an approved vendor of color kiosk technology to the global ReproMAX Partner network.

ReproMAX is the largest, strongest and most aggressive international network of independent, innovative reprographic companies. ReproMAX Partners are all market leaders with longstanding reputations for their commitment to quality and exemplary customer service. ReproMAX currently serves over 350 locations around the world.

FotoZoomer is a self-service kiosk that enables retail customers to design photo-packs, photo enlargements, posters, canvas portraits, custom banners, instant signs, and many more specialty photo products in a matter of minutes using digital photos and FotoZoomer templates.

FotoZoomer kiosks enable service providers to expand into

retail operations and diversity into new markets and products that can generate significant profits while giving their customers a new enjoyable and creative experience via FotoZoomer's easy-to-use applications.
