FOTOZOOMER LLC ANNOUNCES THEIR INSTANT SIGN TEMPLATE LIBRARY HAS EXPANDED TO OVER 500 DIFFERENT SELECTIONS

GREENVILLE, SC, OCTOBER 2008: In these tough economic times, retailers are looking to increase the number of promotions they are offering their customers to stimulate sales and economize costs. With **FotoZoomer's** *Instant Sign Template Library*, owners can offer an inexpensive, on-demand service to their retail customers by creating professional looking promotional signs for them.

To better support this emerging opportunity, FotoZoomer is pleased to announce that their Instant Sign Template Library has been expanded to over 500 different signs in 40 different categories, continuing to cover both business and educational market needs.

In addition to the offering the FotoZoomer application and *Instant Sign Template Library*, we also offer our customers a wide range of media for printing signs including adhesive backed vinyl, scrim banner, FOTO-TAQ, polypropylene banner, magnets, corrugated board panels, poster board, back light film, and

mounting stakes. All media is printed through Epson print technology with UV protected ink for indoor and outdoor use.
